
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: SIMMONS
MADER

FROM: RILEY

SUBJECT: FORM LETTERS FOR RESPONSE TO EMAILS AND LETTERS RECEIVED REGARDING THE GOVERNOR'S ENDORSING OF NEW FLAG AND THE RESERVES MADE TO IHL

DATE 2/6/01

CC: FILE

We have received quite a number of emails and letters – some positive and some negative - regarding the Governor's endorsing of a new flag. We have also received several regarding the reserves to the IHL budget. I have prepared the attached draft responses for each situation so that we can create a database and run a form letter to respond. Given the high profile of these issues, I would like the two of you to okay the letters. Please change/edit the attached draft letters as you would like.

Thanks!
