Dear Dr. Sansing:

It was a pleasure to meet you at Monday's meeting of the Advisory Commission on the Mississippi State Flag and the Mississippi Coat-of-Arms. Your presentation proved very informative. I failed to obtain a copy of your notes for our records and future reference. If you are willing to share your written notes with me, I would appreciate receiving a copy for my files.

Thank you for your assistance in this matter.

Very truly yours,

Kelly L. Riley
