**TO:** GOVERNOR  
**FROM:** BOYD  
**SUBJECT:** COMPUTERS IN THE CLASSROOM FUNDRAISING  
**DATE:** MARCH 12, 2001  
**CC:** SIMMONS

As a result of low-response and turnout for Tuesday's luncheon and press conference, Entergy has cancelled the both activities.

With only 8 weeks remaining in school and more than \$3 million needed to pay for the remaining computers, YOU will need to:

- 1) Set aside some call time to get folks fired up;
- 2) Make the large money calls on your list;
- 3) Obtain support from Bankers; and,
- 4) Call the prospective members of the finance committee.

Governor, only you can make this a reality. It is vitally important that you spend some time on the phone with people raising the financial support you need for this project.
