

**MEMORANDUM**

September 17, 2002

TO: Governor

FROM: John

RE: Governor's Mississippi Alliance for Prevention Press Conference

Remarks for this 1:30 pm event are attached. Dr. Randy Hendrix was scheduled to attend, but his mother is near death. At this writing, Roger McMurtry is scheduled to speak in his place.

The attached list also shows the groups getting funding under this program. Note the separate sheet representing Panola County. These people will be attending the press conference tomorrow.
