

MEMORANDUM

September 18, 2002

TO: Governor

FROM: John

RE: MED Week Awards Banquet

You are scheduled to greet the audience at this dinner at Mikhail's. About 200-250 people are expected, and I have been told this should be a difference audience from the minority business group you spoke to this morning. The attached remarks are similar to the ones you offered today, without the references to the MDA.
