RE: 9th Annual Service Kickoff Event

Your role in this event will be to speak to a crowd of people involved with Americorp and Learn & Serve America (see attached information sheet). More than 900 people are expected to attend morning activities at the Crowne Plaza, then they will gather with the JSU "Sonic Boom" and march to the south steps of the Capitol.

Secretary of State Eric Clark and Dr. Henry Johnson are scheduled to speak to the crowd, then you will step up to make your remarks (attached). At the end of your talk, you will swear in those people beginning their service. The National Service Pledge is in the text of your remarks.
