

MEMORANDUM

February 18, 2002

TO: Governor

FROM: John

RE: Cooper Lighting

You will be visiting Cooper Lighting to honor them on 4 million man-hours without a lost-time accident. Jeff Dukes with MDA will be at the event, and will have a plaque for you to present at the end of your remarks. You will present the plaque to Mickey Robertson, Director of Operations for Cooper Lighting.

Jimmy Heidel will introduce you.

Cooper Industries is headquartered in Houston, Texas, and employs over 30,000 people at 100 locations around the world. It manufactures electrical products, tools and hardware. The division in Vicksburg manufactures fluorescent, incandescent and HID lighting fixtures for indoor and outdoor use. The Vicksburg plant has one of the lowest accident rates in the company.
