RE: Quitman WIN Job Transition Center

You will be participating in a press conference dedicating the new WIN Transition Center in Quitman. An agenda for the event is attached, along with your remarks. Richard will have the "big check" made out for \$100,000 to present to Paul Mosley, President of the Clarke County Board of Supervisors. This check will be unsigned, so you can sign it at the press conference.

Ronnie Shows may attend, as well as representatives from other congressional offices. They were invited by the Clarke County Board of Supervisors.
