

MEMORANDUM

August 22, 2002

TO: Governor

FROM: John

RE: George County event, 8/23/02

CC: Richard

This event is listed as a scholarship fish fry. It's also a fundraiser for Gulf Coast Community College and a membership drive for its George County Alumni Association. I was told you could speak on whatever issue you chose, and focused your remarks on education.

A copy of the program for the evening is attached with your remarks.
