

MEMORANDUM

December 19, 2002

TO: Governor

FROM: John

RE: Education press conference at Casey Elementary

You and Governor Winter will be the only two to speak at this press conference. You will go first, and then turn the podium over to Governor Winter. After he speaks, you return to the podium, read your proclamation (Kelly and Lee Ann are finishing it up), and then present the proclamation to Dr. Henry Johnson.

Dr. Johnson will be there to represent K-12, Dr. Bill McHenry will be there representing IHL, and Dr. Wayne Stonecypher will represent community colleges. None of these three individuals will be speaking.

After you present the proclamation to Dr. Johnson, Kelly has arranged for you to read "The Night Before Christmas" to the kids (all kindergarten-aged). Kelly has the book and will bring it tomorrow.
