Greg Fetzer at WJTV would still like to do a brief (10 minutes) interview for WJTV.com. The interview would air only over the internet. This would be a new area for us and it would be interesting to track the results. Greg is able to do this whenever you are.

David Elliott with WLOX will be in Jackson Tuesday, January 15, while for the Gulf Coast reception. He is doing interviews with Tuck and Moore that day, and requested no more than 10 minutes with you for an interview in your office.

It would be good if we could get both these interviews done as soon as possible. The Elliott interview could give you some good Coast exposure leading into the state of the state.
