TO: Governor

RE: Habitat for Humanity press conference

This press conference will be taking place in front of the two houses currently being built by the Legislature and statewide elected officials. Millard Fuller, founder of Habitat, will be at the press conference. (NOTE: He will be in the Capitol around 10:00 a.m. to visit the House and Senate as they go into session, then will come straight to the press conference. I am told he is not addressing the chambers, but may be recognized).
