

**MEMORANDUM**

January 3, 2002

TO: Lee Ann

FROM: John

RE: Governor's proclamation for Black History Month

Kim Gross asked me to review the attached proclamation for Black History Month. The text of the proclamation had been provided by the group making a request for the proclamation.

As you read the highlighted text, you will see why Kim asked me to review this and why we need to rework the language. I wanted you to know about this, in case there were any questions. We just need to completely rewrite this proclamation.
