

## **MEMORANDUM**

June 6, 2003

TO: Governor

FROM: John

RE: Northrop Grumman groundbreaking

You are one of three scheduled speakers for this event; the other two are Dr. Philip Dur and John B. (Jay) Foley III, VP of Ship Systems' Gulfport Operations. Expect Coast legislators to be there, along with Mayor Combs and the Gulfport City Council. I'm also told Mike Olivier and Blake Wilson will be there.
