

**MEMORANDUM**

June 12, 2003

TO: Governor

FROM: John

RE: West Nile Virus press conference

This press conference is being held to alert the public to the threat of the West Nile Virus early in the summer months. You will be joined by Dr. Amy and Dr. Sally Slavinski, an epidemiologist with the Department of Health.

They will be showing a video of their PSA regarding West Nile at one point during the press conference.
