

**MEMORANDUM**

October 21, 2002

TO: Governor

FROM: John

RE: State quarter event

You should already have the black binder prepared by MDA, which contains the agenda, your remarks and other information on this event. The attached script is for your information, and should be placed under the “agenda” tab of your binder for easy reference.

I have also attached a new page (page #9) for your remarks to replace the page currently in the binder. The current page recognizes Dr. Polles and Green Oak Nursery, recognition that will be done by Maggie Wade. I have changed your remarks to instead recognize Libby Hartfield and the staff at the Natural Science Museum.
