

MEMORANDUM

October 28, 2002

TO: Governor

FROM: John

RE: MEC "Hobnob" Event

This event is being promoted as an informal meeting of business leaders from around the state. I understand Congressmen Shows and Pickering are scheduled to speak at some point during the day. It's being held at the Ag Museum, and they have set up a big tent for the speakers (unless it rains, then speaking will move into one of the buildings there).
