RE: Questions from Patrice Sawyer

Patrice called earlier today and left a message requesting an opportunity to speak with you regarding Operation About Face. She listed three questions regarding funding for the program, Hattiesburg as the only location in the state at this time, and when we expect to go statewide with the program.

She is working on a story for this weekend and would like a few minutes on the phone with you. Her number is 961-7075, or Lee Ann or I can talk with her if you prefer.
