RE: Tougaloo College commencement

You are scheduled to bring greetings at this event. They have requested the remarks not run more than three minutes, because of the length of the program.

A copy of the program is attached. The beginning of your remarks specifically recognize Interim President Beverly Hogan, Dr. Larry Johnson (college chaplain), and Marlana Walker (president of the 2001-02 Student Government Association).

Vernon Jordan is the keynote speaker. A copy of his bio is also attached.
