

MEMORANDUM

May 17, 2002

TO: Governor

FROM: John

RE: Picayune Convalescent Center Open House, 5/20/02

You will have an opportunity to make remarks at this event, but the setting is very informal. I spoke with the administrator, Keri Ladner, this afternoon. They would like you to make a few brief remarks (she said they will provide a podium) before they serve refreshments and lead a tour through the facility.
