

MEMORANDUM

May 30, 2002

TO: Governor Musgrove

FROM: John

RE: Sherwin-Williams / OSHA event

This event is being held to celebrate the Sherwin-Williams facility in Olive Branch achieving “Star” status within the Voluntary Protection Program (VPP) managed by OSHA. The following pages offer an explanation of the program and how it works with private industry.

Attached you will also find a copy of the program for the event tomorrow. Your remarks (attached) should be brief, no more than five minutes. The focus of the remarks should be on the state’s commitment to safety in industry.

You will be introduced by William Wiley, Plant Manager for the Olive Branch facility. The pronunciation of Joe Scaminace’s last name is “scam-uh-*nay*-see.”
