

MEMORANDUM

February 6, 2002

TO: Governor

FROM: John

RE: Mississippi Association of Community and Junior Colleges

About 200 people are expected at this event. You will be introduced by Dr. Starkey Morgan. They have asked you to speak for about five minutes. High points of your remarks should include the pay raise proposal for community and junior colleges in your budget and the Higher Education Summit. I've also included mention of Dr. Olon Ray, who has announced his retirement effective June 30, 2002. He began as a high school history teacher in Biloxi in 1962.
