RE: Letter of support

Bob Alessio is running across the country in remembrance of 9/11 (see attached sheets). He has requested a letter of support from the governor. I talked with this guy at length today, and he's legit. There were a lot of articles about him when he ran through the Delta this week.

Anyway, can you draft a letter of support and send it to his home address at: 31 Robert Road, Stow, MA, 01775.

Let me know if you have any questions. Thanks.
