RE: Oral Health Task Force press conference

This press conference is being held to announce the creation of the Oral Health Task Force (see attached executive order). You will speak first, then turn the podium over to Dr. Brian Amy. He will speak and then introduce Dr. Nicholas Mosca as the state dental director (see attached bio on Dr. Mosca). After Dr. Mosca speaks, the floor can be opened for questions.

Some members of the Task Force are expected to be in attendance, and a quick group photo is planned for after the press conference in the lobby of the Woolfolk Building.
