

MEMORANDUM

November 21, 2002

TO: Governor
FROM: John
RE: Agricola Elementary visit

You may already have this information in your packet from Armerita, but this is a safety net. At this event, you will have the opportunity to speak a few minutes about your job as governor and the importance of literacy and reading. I have attached a few bullets for your reference.

I thought these kids might enjoy the references to the Harry Potter books. Hogwarts is the school for wizards that Harry attends; quidditch (KWI-dich) is a game they play while riding brooms; and Ron and Hermione (her-MY-oh-nee) are Harry's friends at the school.

A clean copy of the poem you're supposed to read is also attached.
