TO: Governor

FROM: John

RE: Ribbon-cutting for Electric Power Associations

I spoke this afternoon with Ron Stewart about this event. He said they will invite you to make comments, but this isn't a formal event. He mentioned your involvement with the Tallahatchie Valley EPA and said Tom Underwood will be at this event. You may want to speak to the role of the EPA's in building the infrastructure of the state and, in turn, the economic development of the state.
