

MEMORANDUM

July 23, 2002

TO: Governor

FROM: John

RE: Communities of Excellence Awards

Your remarks for this 2:00pm event are attached. You will announce the awards and the winners, with a brief description of the winning project. I tried to keep each separate award category together on one page; in some cases, it runs to a second page. I thought this would be easier as far as reading goes. You will present the award to each winner, then photos will be taken after the program.
