

MEMORANDUM

March 27, 2002

TO: Governor

FROM: John

RE: Visit to State Farm's "Mississippi Day at the Capitol"

You are scheduled to stop by this event in Room 216 at approximately 10:45 a.m. They would like you to welcome the group to Mississippi; about 25 people are expected.

You should thank them for their support of the "Computers in the Classroom" initiative. They have supported the effort with \$55,000 in money and equipment from employees and the company. At a press conference last August, State Farm donated 123 computers to the program. State Farm Agency Field Executive Marty Hosford joined you at that press conference.

State Farm executives scheduled to attend the event include Dallas Reynolds (Senior VP, Southern Zone), Joe Fincher (Operations VP, Southern Zone), Tom Lakin (Operations VP, Alabama and Mississippi – based in Birmingham), Webb Howell (VP, Birmingham), and Allen McGlynn (counsel, Atlanta).
