

MEMORANDUM

April 4, 2002

TO: Governor

FROM: John

RE: Media Preview of Eudora Welty Exhibit

You will be helping open the media preview of a new exhibit at the Mississippi Museum of Art called "Passionate Observer: Eudora Welty Among Artists of the Thirties." The focus will be on the black-and-white photos taken by Welty.

You will be introduced by Jack Garner. Others taking part will be Betsy Bradley and Mary Alice Welty White (I believe this is Ms. Welty's niece).
