

MEMORANDUM

April 8, 2002

TO: Governor
FROM: John
RE: Photo signing

Dr. Carol Haney at North Mississippi Regional Center called to ask if we could put together a packet of information on Mississippi for her nine-year-old nephew in Atlanta. It's for a school project. Could you sign the attached photo for him? His name is William.

Once the photo's signed, we'll get everything over to him and I'll call Dr. Haney to let her know it's been done.
