

**MEMORANDUM**

April 4, 2002

TO: Governor

FROM: John

RE: DHS "Month of the Child" press conference

Janice will introduce you at this event. The two of you are the only ones scheduled to speak. Your remarks are brief, because they have asked that you read the proclamation (see attached reading copy with your remarks).

I will have the original copy of the proclamation for you to present to Janice after you have read it aloud.
