

Economic Development Plan
Passage
Press Conference
Proposed Agenda

- I. Governor Ronnie Musgrove
- II. Lt. Governor Amy Tuck
- III. Speaker Tim Ford
- IV. J. C. Burns
- V. Dwight Evans
- VI. Governor Musgrove

Suggested Scenario: Thirty minutes- One hour after the passage of the economic development plan hold a celebratory press conference. This would be your show because you start it and end it. I would suggest telling the Lt. Governor and Speaker that we are keeping the press conference short, but they are welcome to say a word or two. (Ask them to invite members of the House and Senate with their leaderships located behind you.) J.C. would speak from the local developers perspective. Dwight would speak from the Partnership and business persons perspective.
