Press Conference – We are looking at holding a press conference between 10:30 a.m. and 11:30 a.m. at the bottom of the stairs, 2<sup>nd</sup> floor rotunda. We would ask all the participants to meet in the Governor’s office prior to the press conference. We will begin calling at 8:00 a.m. to invite the contact people to get notice to their perspective memberships and ask them to attend the press conference. We will call them back to give them a finalized time as we monitor what is going on in the House.
