

Response to Raynard Johnson's family-

I wanted to extend to you and your entire family my personal condolences for your loss. As a parent, I share your grief. I am in contact with the Mississippi Highway Patrol as they continue their joint investigation with the Federal Bureau of Investigation and the Marion County Sheriff's Department. I have been assured that each of these agencies are continuing to work together to gather all evidence and information in your son's case.

Response to e-mails and media –
