RE: Keith Ball

It is my understanding that Keith Ball has thrown his name into the ring for consideration for a judicial position in Winston County. I don't know all the details about the position, but I wanted to let you know a little more about Keith than you may get from his resumé.

Keith and I were in school together, from 7th thru 12th grades at Jackson Prep. He was always very involved in sports, scholastics and extra-curricular activities. Keith was one of those people who was very popular, but had his head on straight and knew what he wanted to do.

Keith has been practicing law up in Louisville for about the past four years now. He is a good man and from what I understand, a good attorney.

I throw this out to you for your review.
