

**MEMORANDUM**

October 26, 2001

TO: Governor  
FROM: John  
RE: Camp Shelby event

I received a call from Lt. Col. Tim Powell about 2:30 p.m. Friday afternoon. He informed me that Senator Thad Cochran had agreed at the last minute to attend the dedication for the Armed Forces Museum tomorrow morning at Camp Shelby, and wanted to make a few personal remarks about Senator Inouye.

You are still scheduled to speak and then introduce Senator Inouye. Tim wanted to be sure you knew ahead of time that Senator Cochran would be on the agenda.
