

MEMORANDUM

October 30, 2001

TO: Governor
FROM: John
RE: Jerry St. Pé event

This event will be held at the Jackson County Civic Center, and a crowd of about 900 is expected. You will be introduced by Mayor Joe Cole. They would like you to share some personal thoughts about Mr. St. Pé's career.

A copy of the program for the evening is attached. Per your request, I have also prepared some formal remarks for your use; the remarks are attached behind the program. The remarks are fairly short, offering some praise for Mr. St. Pé's work ethic and career. I don't know enough about Mr. St. Pé to give specifics; any anecdotes you may have or examples of how you've worked with him are useful.
