

MEMORANDUM

November 2, 2001

TO: Governor

FROM: John

RE: Enterprise Corporation of the Delta, 11/05/01

Your remarks for this event are attached. They have asked for remarks about five minutes in length, focusing on economic development in the Delta. According to the material I have from ECD, you should also mention the Emerging Markets Partnership; however, I have not been able to get any information on this from ECD. Armerita tells me you are aware of it, and will be naming a liaison from your office to the ECD for this partnership.

You will be introduced by Bill Bynum from ECD. Governors Mike Huckabee and Mike Foster will be there, along with representatives from the Kellogg Foundation and Fannie Mae.
