TO: Governor Musgrove  
FROM: John Sewell  
RE: Commencement remarks to MS School for Math and Science /  
MEC Speech

Attached is a draft for Saturday's speech in Columbus. The topic they requested was "the role of economic development in Mississippi." You'll be introduced by a student, Erin Knight.

I've also attached a draft of remarks for the MEC next week. We spoke earlier about the points Boyd felt needed to be made and they should all in there.
