

MEMORANDUM

October 23, 2001

TO: Governor

FROM: John

RE: MDA Tourism Summit

I had a call late this afternoon from Darienne Wilson with MDA. She wanted to bring me up to date on a Tourism Summit that is scheduled for tomorrow. It has been getting some good media response, and she wanted to make sure you were aware of what was being done.

She e-mailed the attached memo to me. It will give you the basic background for tomorrow's event, and we will work with her on press opportunities in coming weeks.
