RE: Meeting with MS Commission on the Status of Women

You are scheduled to meet with this commission tomorrow at 2:00 p.m. There will be no press at this event, it is just a quick meeting with the 13 members of the commission. The chair of the commission is Onetta Whitley, an attorney in Mike Moore's office. Also attending this meeting will be Marianne Hill, President of the Mississippi Women's Commission (an independent coalition regarding women's issues in the state).

Per Kathy, this is a simple meet and greet with the members of the commission.
