Kelly,

Deborah Jackson, a member of our staff would have that information. I see that she is not in the office today. Her e-mail is: djackson@nbpts.org. When I see her, I will let her know you would like them. I will call you regarding the names.

Jimmy

p.s. Have a wonderful Thanksgiving.

Good morning, Jimmy. I hate to bother you with one more thing, but Governor Musgrove would like to send a letter to each board member. Can you get me a list of those addresses or direct me to the person that can help me with that?

THANKS!

P.S. - Any luck on the Meridian and Jackson names yet? Thanks!

Subject: Gov. Musgrove quote

Kelly,

It was a pleasure to speak with you. Here is the quote the Governor provided for us last year. As I prepare our Mississippi state release, I would look forward to inserting a quote from the Governor for this year.

Thanks,  
Jimmy

Quote from Gov. Ronnie Musgrove (D Mississippi)

This is another indication that Mississippi is a national leader in education. These teachers have worked hard to reach the next level in their profession, and I'm proud of the effort they've made to achieve this goal. We must respond to the commitment

these teachers have made with our own commitment to give them the tools they need in the classrooms.
