The following appeared on Boston.com:
Headline: Preschool backers say they mean business
Date: 10/9/2003

"Some of the state's top business and education leaders launched a lobbying effort yesterday to build support for free preschool programs for every child, saying that the future of the Massachusetts work force depends on early education. The legislative proposal, to be touted in a novel campaign employing the language of economics and expensive television ads, is ambitious. It would ..."
