Kelly, FYI: I haven't found the difference(s) yet but my list is by award category (gold, silver, bronze) & Joe's isn't. So it's difficult to find the changes. I sent Joe an email back, asking him to point out what needs to be changed in the list I sent to you. But thought I should go ahead & forward this to you, just in case. Do you need another list from me?

Cathy,

My list is a little different. Attached is a triple checked list.

I will give you a call,

Joe

Hi, Joe -- I think this is the complete list of schools to be honored. Please review & let me know if it's correct asap. I need to get it to Kelly today, along w/sample of certificates. Thanks! (Am also including list of sponsors & worksites; I've sent it to Tammy for her input on sponsors but am most concerned we get schools right.

FYI: One school you had listed wrong (they called me after rec'ving letter) was # 17 on your school list. You had it as Marian Casey Hamilton Elem but it's actually Madison Ave. Lower Elem. The person filing was Marian Casey Hamilton.
