Kelly, let's try to talk by phone when you return on the JBHM issue. I =
believe it should be a part of the "decree", so that favorable legislation =
would follow.

Thanks. I just put the paperwork in the mail to you. Since I have you on =
email....

I spoke to Thelma Brittain and she said that she has no problem with the =
language that JBHM has drafted, but that any agreement would have to be =
between MDE and JBHM because DHS doesn't have any funds available. Do =
y'all have any money? I've sort gotten bits and pieces of the story, but =
would appreciate any insight or strategy you can offer. I asked Thelma if =
we needed to forward the language to the AG's office and she said not =
necessarily because we are awaiting a decree. Have you spoken to anyone =
at the AG's office regarding this situation?

I'm out tomorrow, but will be back in on Wednesday. I'm here until about =
4:30 today. THANKS!

Hey! I left a message for you to call me regarding the training schools. =
I also have a question about my travel reimbursement for the October 7 8 =
trip to Washington for the USDE Education Leadership Summit. You've told =
me earlier just to send you my travel reimbursement and you'd take care of =
it (I was 1 of the 4 that USDE is paying for, but it goes through y'all or =
something.)

I'm not sure how much I can claim for my dinner the evening of =
October 7. Can I just send you the form and the receipts and you complete =
that part of it for me?

THANKS!=20
