Kelly - This is a picture of my son, Cory Scribner, with Governor Musgrove. We were at the State Department of Education to celebrate the retirement of my Aunt Frances Coggins for 50 years of teaching.

Governor Musgrove was standing out front when we finished and Cory just walked up to him and shook his hand. It tickled him to death!

I want to thank you and Governor Musgrove for visiting today it was definantly a surprise.

I am sending 3 separate emails because the pictures are so large.
