SB 2334

SB 2334 amends Section 45-35-3 to revise the age of eligibility for issuance of a non-driver's identification card from age 13 to age 6.

Transportation Subcommittee 3 Chair, Representative Charlie Smith, stated that his subcommittee thought this bill could provide an additional means of information for identifying young children that might be kidnapped.

The Department of Public Safety issues the identification cards. DPS has not voiced any opposition to SB 2334.

SB 2334 is effective July 1, 2001.
