
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: FIRST LADY MELANIE MUSGROVE
FROM: KELLY RILEY
SUBJECT: CHAIRPERSON OF THE CENTER FOR THE BOOK
DATE: 5/31/00
CC: ROSEMARY MAXEY

It would be my recommendation that you agree to serve on the Board of Directors, but that you decline the chairmanship due to your limited time resources. I don't think your time would allow you to devote the resources to the chairmanship necessary to effectively contribute to the development and implementation of the Center for the Book. It would be quite an honor and great PR for the Center to have you as chairperson, especially as its first chairperson. However, I think you could serve the Center more effectively, at this point, as a board member. You could certainly serve as chair at a later date, should your time allow.
