Subject: Gov. & Children Arrive
Place:Mansion

09/27/01 per Marilyn (She thought it would be after kids get out of school abt. 3:30)

10/02/01 Mark Henderson and Mitch Alexander, Security, said they will probably be driving two cars down to Destin.

10/04/01 Jill called the Gov. @ 6:30pm and told him that I did not have any flight info. on his trip to Destin. He said he believed Marilyn was setting it up on a commercial flight and that he didn't want some of that stuff on his calendar. But he told me that they were leaving about 4:30pm on 10/5 and returning on Oct. 6 @ about 3:00pm. I called Security and gave Tim Furr this information.

10/05/01 Jill received from Marilyn the Itinerary for Get-A-Way Weekend
