**SUBJECT:** MARSHALL MONTGOMERY: LEE COUNTY POLITICAL RALLY WITH GOVERNOR AS KEYNOTE  
**DATE:** 9/3/02

Marshall Montgomery just called me and said that they want to have a rally in Lee County with the Governor as keynote speaker sometime in October. He said that a Monday, Tuesday or Thursday night would work best for them. The event will be at the Furniture Market. They would start serving dinner about 6:30 and the program would start at 7:00.

Marshall wants us to give him 2 or 3 dates that would work for the Governor. His work number is 800-333-4615 and home is 662-840-2136. He is leaving town this Friday for about a week and asked me to call Claude Hartley at the Furniture Market (662-844-1473) in his absence.

I told Marshall that I'd get with you and Jill and we would be back in touch ASAP. I'll be happy to help however I can. Please advise as to action you want to take on this matter.
